

# Mary Lou Kalla Foundation

December 2014

Dear Friends of Mary Lou Kalla Foundation:

We greet you this Joyful Season with hope to fill your hearts with peace and love and to counterbalance all that is going on in our world today.

This is the special time of the year that we set apart to express gratitude to God for the many blessings that each one of us receives. We, therefore, have to simply say, "Thank You," first to God and then to one another.

As we celebrate joyfully and usher in the New Year 2015, we want you to know how grateful we are to you and to all who make possible the outreach of Mary Lou Kalla Foundations (MLKF) educational and medical programs to the needy people of Bangladesh. Even in this time of marked economic uncertainty, the goodness of all of you is the more visible and the reason for this particular and very sincere "Thank You."

We are very happy to show some of the activities for this year through our photos and articles. We thought you might like to see some signs of the good fruit of your kindness and generosity. It is truly a cause for giving thanks.

On behalf of Mary Lou Kalla Foundation, we thank you for your prayers, generous financial and in-kind support. MLKF is a volunteer run 501©3 non-profit organization and is 100% funded through your generosity. All donation goes directly to the program recipients except for incidental expenses like printing and postage costs. We hope that you will continue to show your support by making a tax-deductible gift to Mary Lou Kalla Foundation.

The Board Members of MLKF wish you and your family a Joyous Holiday Season and Happy New Year.
